| <b>.</b>  |  |  |  | Attached is a letter for the DCI's signature I propose we send to the Secretary of Energy.  Our discussions with DOE thus far to elevate the priority status of the Agency under the gasoline allocations regulations have not been very productive.  The issue of CIA status brings into sharp focus a dilemma which could confront the Agency as a result of DOE regulations which were promulgated without regard for the Agency's national security responsibilities. I believe it is important for the Agency to take a strong position on this issue. |
